February 9, 2022

I. INTRODUCTION

The following is a summary of the review conducted by Victor Elementary School District staff of the material revision request submitted by Mountain View Montessori School in compliance with Education Code sections 47607 and 47605, and the staff recommendations, including recommended findings, for consideration by the Victor Elementary School District Board.

II. BACKGROUND

Mountain View Montessori School is a dependent charter school that serves students in grades pre-kindergarten through sixth. In December 2021, Mountain View Montessori School submitted a request for material revision seeking to update and revise the charter petition to comport and comply with legislative mandates and otherwise to reflect current operations of the school. A public hearing was held on January 12, 2022, to consider the level of support for the material revisions to the charter petition in accordance with Education Code section 47605.

III. LEGAL STANDARD

Material revisions of charter petitions are governed by the standards and criteria described in Education Code section 47605 and shall include, but not be limited to, reasonably comprehensive descriptions of any new requirement of charter schools enacted into law after the charter was originally granted or last renewed.

IV. SUMMARY OF FINDINGS

Victor Elementary School District staff determined that the revised Mountain View Montessori School charter petition meets the standards outlined in Education Code section 47605, and includes a reasonably comprehensive description of any new requirements enacted into law since the Mountain View Montessori School’s charter was last approved. Adopting and implementing the changes will allow the charter school to operate in accordance with recently enacted legislative changes and reflects the current operations of the school.

V. STAFF RECOMMENDATION

Victor Elementary School District staff recommends that the Board grant the material revisions requested by Mountain View Montessori School with January 12, 2022 as the effective date of the revisions.
